

BOARD UPDATES

Summer isn't over yet!

Don't pack away the sunscreen just yet—there's still plenty of pool season left! Our community pool will remain open through Sunday, September 20, with the season wrapping up at 9:00 p.m. That means there's still lots of time for cannonballs, floating, lap swimming, and making the most of these sunny days.

A few important dates to keep on your calendar:

🎉 August 14 at 6:00 p.m.: Join us for the last pool party of the season!

🏊 August 23: Last day of full-time lifeguard coverage.

☀️ Beginning August 24: Lifeguards will be on duty weekends and holidays only.

Congratulations Typhoons!

Congratulations to our Typhoons swimmers on a fantastic 4-2 season! We're so proud of your hard work, dedication, teamwork, and outstanding sportsmanship throughout the summer. Go Typhoons!

COMMUNITY REMINDERS

Help us keep our neighborhood tennis/pickleball courts in top shape so everyone can enjoy them! A few friendly reminders:

- Residents must use their access card to enter
- Guests must be accompanied by a resident.
- Tennis shoes only—your sneakers (and the courts) will thank you!
 - Please leave food and glass outside the gate.
- The courts are for tennis and pickleball only—that means no bikes, skateboards, roller skates, roller blades, other wheeled toys, or pets.
 - Soccer playing is NOT permitted on our courts.

Thanks for keeping our courts safe, clean, and ready for the next match!
