SERVE UP SOME FUN: HOW TO RESERVE A TENNIS COURT

Did you know that you can reserve a tennis court? It's easy! Just write your name in the time block you'd like on the reservation sheet (located in the black box on the fence near the door).

A few friendly guidelines to keep the game running smoothly:

- Reservations apply to Court 2 only, the one furthest from the parking lot (a nice little warm-up walk!).
- Court 1 is always first come, first served.
- Reservations must be made at least two hours in advance.
- Running more than 15 minutes late means your reservation is forfeited, so lace up those sneakers early!
- If no one has reserved Court 2, it's first come, first served.
- RECENT CHANGE: Each party may reserve one **TWO**-hour block per day!

See you on the court, and may all your serves be aces!

COMMUNITY REMINDERS

Our amenities and common areas are here for everyone to enjoy, so please treat them as you would your own home. Pick up after yourself, throw away trash, and return furniture and equipment to where you found it. If you spot a spill or mess, take a moment to clean it up or let management know. A little courtesy goes a long way in keeping our community clean, safe, and welcoming for all. Thank you for doing your part!
